**DIANA SHIPPING INC. ANNOUNCES TIME CHARTER CONTRACTS  
FOR M/V PHILADELPHIA WITH KOCH AND M/V CALIPSO  
WITH TRANSGRAIN**

ATHENS, GREECE, March 8, 2017 – Diana Shipping Inc. (NYSE: [DSX](http://www.dsxequity.com)), (the “Company”), a global shipping company specializing in the ownership of dry bulk vessels, today announced that, through a separate wholly-owned subsidiary, it has entered into a time charter contract with Koch Shipping Pte. Ltd., Singapore, for one of its Newcastlemax dry bulk vessels, the m/v Philadelphia. The gross charter rate is US\$15,500 per day, minus a 5% commission paid to third parties, for a period of minimum ten (10) months to about thirteen (13) months. The charter is expected to commence on March 14, 2017.

The “Philadelphia” is a 206,040 dwt Newcastlemax dry bulk vessel built in 2012.

The Company also announced that, through a separate wholly-owned subsidiary, it has entered into a time charter contract with Transgrain Shipping B.V., Rotterdam, for one of its Panamax dry bulk vessels, the m/v Calipso. The gross charter rate is US\$9,000 per day, minus a 5% commission paid to third parties, for a period of about eleven (11) months to maximum fourteen (14) months. The charter is expected to commence on March 14, 2017.

The “Calipso” is a 73,691 dwt Panamax dry bulk vessel built in 2005.

The employments of “Philadelphia” and “Calipso” are anticipated to generate approximately US\$7.49 million of gross revenue for the minimum scheduled period of the time charters.

Diana Shipping Inc.’s fleet currently consists of 48 dry bulk vessels (4 Newcastlemax, 14 Capesize, 3 Post-Panamax, 4 Kamsarmax and 23 Panamax). As of today, the combined carrying capacity of the Company’s fleet is approximately 5.7 million dwt with a weighted average age of 7.77 years. A table describing the current Diana Shipping Inc.

fleet can be found on the Company's website, [www.dianashippinginc.com](http://www.dianashippinginc.com). Information contained on the Company's website does not constitute a part of this press release.

## **Cautionary Statement Regarding Forward-Looking Statements**

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words "believe," "anticipate," "intends," "estimate," "forecast," "project," "plan," "potential," "may," "should," "expect," "pending" and similar expressions identify forward-looking statements.

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management's examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, other important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including fluctuations in charter rates and vessel values, changes in demand for dry bulk shipping capacity, changes in our operating expenses, including bunker prices, drydocking and insurance costs, the market for our vessels, availability of financing and refinancing, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, vessel breakdowns and instances of off-hires and

other factors. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.
